The Climbing labels are inspired by the high elevation of the Orange region. Our hero Henry is scaling the heights of our single estate vineyard over 600m with local Mt Canobolas in the background. Climbing wines exhibit intense flavours courtesy of lower yielding vines set on ancient soils, extremely cool nights and carefully nurtured viticulture.

Cumulus is a super-premium, limited-release wine crafted in exceptional vintages. Handpicked from top parcels on the high elevation Orange estate, it's whole-bunch pressed, fermented with natural yeast, and aged in French and American oak for 12 months. ELVARADO

Winemaker: Debbie Lauritz

Elvarado is our interpretation of a classic wine style of the Mediterranean. It brings together two leading varieties of Spanish origin in Tempranillo and Garnacha (Grenache) that are very much at home in our vineyards of McLaren Vale and deliver the renowned stylish and juicy flavours of the Mediterranean through a modern Australian lens.

Folklore is many things – it speaks to us of our past, present and future. It can be told, drawn or sung. It's human, natural, ritual – it's wine. The fruit was sourced from our own vineyards and represents what we do best, farming grapes which are ideally suited to the regions of the south west and firmly putting fruit character and expression first.

Growing up in Germany as the sons of a stonemason may not be the most likely start for the founders of a New Zealand winery, but when you look closer, wine is practically running in Theo, Alex and Marcel Giesen's veins. For centuries, their family members have been involved in the culinary and wine trades, as sommeliers, restaurateurs and other related careers. It is built on the brothers' shared passion and family values – every member of the Giesen Wines team works together on building and maintaining the reputation of the Giesen name worldwide.

La La Land are wines to explore. An exciting eclectic collection of new generation wines, La La Land wines are crafted from lesser known grape varieties which thrive in Australia's warmer climate. Flavoursome, generous wines made with creative flair add a breath of fresh air to the sometimes-stuffy wine world.

Laissez- Faire means “let it be” and this reflects our hands off approach. Whilst we’ve learnt from organics, bio-dynamics and natural wine practices, we’re not dictated by one school of thought. . In our Laissez-Faire winemaking, there’s no added tannin, or acid, or animal fining products. There is zero sulphur use throughout the winemaking, and only a minimal amount at bottling. We’re using alternate varieties and blends to make naturally balanced wines. From vine to bottle, the wine takes its course, hands free.

Pedestal raises the fruit expression above winemaking construct.

	VOCATION SERIES			
2022	The Pastoralist Cabernet Sauvignon, <i>Coonawarra</i>	6	\$134.00	\$28.81

The Robert Oatley Signature Series draws on a remarkable portfolio of vineyards nurtured by the winemaking talent of Larry Cherubino, showcasing Australia's most successful wine styles and regions. Bob Oatley's mantra was that all wines should be a "darned good drink", and the high quality Signature Series delivers immediate appeal, with satisfying flavours over an elegant frame. Each wine embodies the grape varietal and region in which it was grown.

Rockburn takes its name from the rugged, rock-strewn, burn-scarred landscape of Central Otago, a region which is renowned for its stunning scenery of rugged mountains and picturesque lakes. Our vineyards are bounded on the west by mountains on whose seaward slopes are rain forests, which receive 5000mm of rain a year. To the east is a barren, moon-like landscape that receives less than 25mm of rain a year.

Channybearup, Bimbimbi, Riversdale – within each of these vineyards is The Yard: the place where we break ground in single vineyard wines. The magic of wine is its ability to express provenance. Which for us means growing grapes. We don't use herbicides. We employ fish and seaweed applications. We make our own compost to support the whole vineyard biology. Continuous within The Yard is our work to translate and transmit terroir.

CHAMPAGNE
**CHARLES
HEIDSIECK**

Maison fondée à Reims en 1851

www.charlesheidsieck.com

Winemaker: Elise Losfelt

In 1851, Charles-Camille Heidsieck founded a Champagne House to produce exemplary wines that reflected his personality and pioneering spirit. Charles Heidsieck champagnes showcase a remarkably high proportion of reserve wines (up to 40%), a narrow selection of crus (5 to 60) as well as a prolonged ageing in its chalk cellars underground (5 to 20 years). Following the footsteps of his predecessors, Elise Losfelt is today the “Chef de Caves” in charge of perpetuating the legacy of the House.

Cote des Roses celebrates the Mediterranean lifestyle. The Languedoc appellation stretches along the Mediterranean coast from the Spanish border as far as the city of Nîmes, along the foothills of the Montagne Noire and the Cévennes. The bottle is original with its base in the shape of a rose, created by a young designer from the Ecole Boulle. A wine to be given in the same way you would offer a bunch of roses!

MONROUBY

Winemaker: Jean-Luc Lavergne and Matt Thomson

Monrouby is a small village in the Languedoc. Winemakers, Jean-Luc Lavergne and Matt Thomson, decided to vinify several varietals separately due to the quality of fruit. The vineyards are located on low-lying hills, where the Bassin de Thau (a string of lakes) moderates the climate. As there is little rain in the summer, the gentle breezes from the lakes and the Mediterranean Sea lower evaporation and, in turn, reduce vine stress.

TRADING TERMS

GENERAL

These terms and conditions cannot be varied without Robert Oatley Vineyards Pty Ltd, trading as Oatley Fine Wine Merchants ("OFWM") prior written consent. All goods ("Goods") will be supplied to the Customer only on these terms and conditions. Acceptance (by retaining the Goods or otherwise) of the Goods by the Customer will be conclusive acceptance of the terms and conditions of supply contained herein. The Customer must give OFWM one (1) month's notice in writing of any change in trading entity, the names of its principals, trading name, licence and/or address.

PRICING

All deliveries will be at wholesale price unless otherwise stated or agreed. Prices are subject to change at any time without notice. All wholesale prices include excise duty, where applicable, but exclude government Wine Equalization Tax (WET) and GST. WET will be charged where applicable. In all cases GST will be charged on the final net invoice price, after WET, if applicable. Prices are subject to any change in the amount of excise duty, GST, WET, freight or insurance between the date of order and delivery and any such amount will be reflected in the purchase price.

ORDERS

All orders are subject to acceptance by OFWM. Acceptance of all orders is at OFWM's sole discretion. Supply of Goods is subject to availability and to any order limits imposed in respect of Goods by OFWM. OFWM may, in its sole discretion, waive the application of an order limit in respect of an order. The Customer cannot cancel an order nor delay delivery once an order has been accepted, without OFWM's written consent. If the Customer wishes to claim a WET exemption (if applicable), the Customer must supply OFWM with the documentation required by OFWM. No claims for WET exemption will be accepted after the invoice has been processed.

MINIMUM ORDER QUANTITIES

National minimum order quantities apply to all sales orders. Higher minimum order quantities may apply for Regional areas outside of major cities – please consult your OFWM Account Manager or Customer Service if required.

5 physical cases for Metro deliveries

10 physical cases for Regional deliveries

FREIGHT, HANDLING AND INSURANCE FEES (WHERE APPLICABLE)

Delivery, handling and insurance ("The Services") will be provided by OFWM unless otherwise advised by the Customer in writing. The Services are the subject of a separate but optional contract between OFWM and the Customer. Where the Customer contracts for The Services, a delivery, handling and insurance fee ("The Services Fee") plus any additional delivery costs (see "Delivery" below) will be charged to the Customer's account. Cost for The Services have been met by OFWM on behalf of The Customer and where applicable, will be charged to the Customer's account and included in the composite invoice price. When The Services are provided to the Customer, The Services Fee charged to the Customer's account will be equal to 10.5% of the adjusted Landed Unit Cost ("LUC") price (the LUC price less The Services Fee). The Services Fee and any other additional delivery costs are separate and distinct from the amount charged for the supply of the Goods ("The Goods Price"). The Services Fee is included in the wholesale and/or LUC prices on an equalization basis unless a separate arrangement has been agreed between the Customer and OFWM. Where the Customer decides not to take up OFWM offer to perform The Services, the Customer must advise OFWM in writing beforehand so that arrangements can be made for reasonable access to be given to the Customer to pick up the Goods from the OFWM winery in Mudgee or to arrange for an alternative supplier to transport the Goods. Where the Customer elects not to acquire The Services, The Services Fee will not be charged.

DELIVERY

Where The Services (as defined in the paragraph above) are provided by OFWM, The Customer must specify the place of delivery when ordering Goods and may make specific arrangements for delivery and freight. There will be no extra charges for freight and handling fees over The Services Fee included in the wholesale price or the LUC price where delivered into capital city warehouses/stores, unless an urgent delivery is requested by the Customer (in which case OFWM reserves the right to invoice the Customer for any additional delivery costs); or the Goods ordered by the Customer are for 5 physical cases or less (in which case OFWM reserves the right to invoice the Customer for the freight rate of \$15 (plus GST)). OFWM will also arrange freight and delivery of Goods outside a Capital City Area unless other arrangements are made by the Customer and will invoice the Customer for any additional delivery costs over and above The Service Fee. OFWM reserves the right to charge Freight at the rate of \$30 (plus GST) for all deliveries outside of the Capital City Area that are less than 10 physical cases. Where the delivery is equal to or exceeds 10 physical cases there will be no additional freight charge. A "Capital City Area" is an area determined by OFWM in and around the cities of Sydney, Melbourne, Brisbane, Perth and Adelaide (for particulars of the actual areas, please contact OFWM).

Risk in the Goods passes to the Customer upon delivery to the Customer or the Customer's carrier. OFWM may consign or ship goods to the Customer in installments at varying times. OFWM is not responsible for and does not accept liability for delay or non-delivery of goods. In the case of late delivery, the Customer must accept and pay for the goods delivered. Each delivery will be regarded as a separate contract.

PAYMENT TERMS

Payment terms will, at OFWM's sole discretion, be payment on delivery or credit. Where credit has been granted by OFWM, payment is due in accordance with the terms set out in the Commercial Credit Account Application approved by OFWM. Time is of the essence in respect of the Customer's obligation to make payment for goods sold by OFWM to the Customer. Payment will be treated as made (1) if a cheque (bank or otherwise) or other negotiable instrument is tendered, on the date upon which the cheque or other negotiable instrument is negotiated and cleared by OFWM's bank; (2) if a direct bank deposit is made, on the date when the funds become available to OFWM. Credit accounts are subject to OFWM's standard credit terms and conditions and credit approval by OFWM. Credit facilities on any amount may be withdrawn or varied at the discretion of OFWM without notice to the Customer. If the Customer's account has not been paid by the due date, OFWM may cease supplying goods to the Customer, withdraw credit facilities and/or forfeit allowances. OFWM may also charge interest at the rate of 2% per calendar month on all overdue amounts from the date of default until the date of payment (payable daily). Further, the Customer agrees to reimburse OFWM for any legal expenses actually payable (whether or not under a costs agreement), debt collection expenses or bank charges incurred by OFWM in the recovery or attempted recovery of overdue monies. The Customer must not deduct from the price any setoff, counterclaim or other sum without OFWM's written consent.

Any payments tendered by the Customer to OFWM must be applied as follows: (1) first as reimbursement for any legal expenses, debt collection expenses or bank charges set out

above; (2) secondly, in payment of any interest charged to the Customer set out above; and (3) thirdly, in satisfaction or part satisfaction of the oldest portion of the Customer's account.

PAYMENT BY CREDIT CARD

OFWM may, at its sole discretion, allow a Customer to make payment for Goods by credit card. Where a Customer wishes to pay by credit card, a separate credit card service fee will be charged by OFWM. Such credit card service fee will have no bearing on the rights of the Customer in respect of claiming title in the goods whether the Customer pays for the goods in their own right. Such credit card service fee will be separate from the contract for the sale of the Goods and from any contracted freight services and will not form part of the LUC prices stated. OFWM may, at its sole discretion, elect to waive the credit card service fee.

The credit card service fee for payments made by Visa and Mastercard credit cards will be on charged at 1.5% of the amount invoiced. The credit card service fee for payments made by other American Express and other credit cards will be solely at the discretion of OFWM. These percentages are subject to change from time to time at OFWM's sole discretion. These credit card service fees are to recover the average cost incurred by OFWM in accepting payment by credit cards. The credit card service fees comply with the Reserve Bank of Australia Surcharging Standards issued in June 2012

OVERDUE ACCOUNTS

Notwithstanding other relevant changes, if the Customer fails to make payments on the due dates, OFWM may, in addition to taking any other action (a) charge interest on all overdue payments at two percent (2%) per month from the due date until the date of the payment and (b) suspend all further delivery of goods or further performance of any other contract with the Customer.

CHANGE OF OWNERSHIP

The Customer agrees to notify OFWM in writing of any change of ownership of the customer within 7 days of such change and indemnifies OFWM against any loss or damage incurred by it as a result of the customer's failure to notify OFWM of any change.

RETENTION OF TITLE

All goods delivered by OFWM remain the property of OFWM and the title in any goods does not pass to the Customer until all debts owed to OFWM on any account whatsoever, including interest, bank charges, legal fees and debt collection expenses are paid to OFWM in full. The Customer in the meantime takes custody of the goods and retains them as fiduciary agent and bailee of OFWM. Until the goods have been paid for in full, the Customer: (1) must properly store, protect and insure the goods; (2) may sell the goods, in the ordinary course of business, but only as fiduciary agent of OFWM; the Customer has no authority to bind OFWM to any contract or otherwise and must not purport to do so; the Customer receives all proceeds, whether tangible or intangible, direct or indirect, of any dealing with the goods (including any proceeds from insurance claims) in trust for OFWM; and (3) and agrees not to sell, assign, charge or otherwise encumber or grant any interest over any obligations which any third party may owe to the Customer as a result of the resale of the goods. If the sale price of all Goods sold by OFWM to the Customer is greater than the sum of (1) the proceeds actually received by OFWM in respect of all dealings by the Customer with the goods; and (2) all other payments received by OFWM in respect of the goods, the difference remains a debt owing by the Customer to OFWM. Without prejudice to any other rights of OFWM, OFWM is entitled to reclaim possession of the goods, even if they have been paid for in full, in satisfaction of all debts owing to OFWM, if any of the following events occurs: (1) the Customer defaults under these terms or conditions; (2) the Customer commits an act of bankruptcy; (3) a receiver is appointed to the Customer; (4) the Customer goes into liquidation, administration, or some other form of insolvency administration whether formal or informal; (5) the Customer ceases to carry on business; (6) the Customer enters into a scheme or compromises with its creditors; or (7) an application or order is made to or by a court or a resolution is passed for the winding up of the Customer or notice of intention to propose such a resolution is given. The Customer grants to OFWM and its employees and agents an irrevocable right to enter the Customer's premises, or any other premises where the goods are reasonably

believed to be stored, without notice, to search for, inspect, take possession of and remove goods supplied. The Customer agrees that OFWM and its employees and agents will not be liable to the Customer or any person claiming through the Customer for any such action taken. The provisions of this clause apply despite any arrangement between the parties under which OFWM grants the Customer credit. Notwithstanding the foregoing, it is agreed that the goods are at the entire risk of the Customer from the time of delivery. The Customer must insure the goods at their cost from delivery of the goods until they are paid for in full against such risks as it thinks appropriate. OFWM may commence legal action against the Customer if the goods are not paid for within OFWM's usual credit terms or any separate arrangement for credit made by OFWM with the Customer although property in the goods has not passed to the Customer.

PERSONAL PROPERTY SECURITIES (PPSA)

The Customer grants and OFWM may register on the Personal Property Securities Register, a security interest in all and any sale of Goods under these terms and conditions, including but not limited to intellectual property and all other present or after-acquired property. The Customer warrants that all purchases under these terms and conditions are for commercial purposes only and, accordingly, the provisions of the Consumer Credit Act will not apply. The Customer and OFWM agree to contact-out of the PPSA in accordance with section 115 of the PPSA to the extent that the section applies for the benefit of, and does not impose a burden on, OFWM. The Customer waives its right to receive a copy of any Financing Statement or any Financing Change Statement registered by OFWM in respect of the security interest created by these terms and conditions. The Customer agrees to provide all relevant information and co-operate fully with OFWM to ensure that OFWM has a perfected security interest in the personal property charged and, if applicable, a Purchase Money Security Interest (PMSI). The Customer agrees that, until all monies owed to OFWM are paid in full, it shall not sell or grant any other Security Interest in the Goods.

CLAIMS PROCEDURE

Risk in the Goods passes to the Customer upon delivery to the Customer or the Customer's carrier

The Customer must report all claims to the Customer's relevant OFWM sales representative. Any claims of whatever nature must be reported in writing (including all of the particulars set out below) to the relevant OFWM sales representative within 7 days after receipt of goods or, to the maximum extent permitted by law, (1) the claim will be taken to be waived and will be barred and unenforceable; (2) the Customer will be deemed to forfeit any claims for damages or set off against OFWM; (3) the goods must be treated as having been accepted by the Customer; and (4) the Customer must pay for the goods in accordance with the provisions of these terms and conditions. The reported claim must, without exception, quote the invoice number, account name, delivery address and date, as well as all other relevant details pertaining to the claim.

CLAIMS LIABILITY

Subject only to any relevant statutory provisions which necessarily apply to the contract and cannot be excluded, all other terms, conditions, representations and warranties (whether express or implied and whether statutory or otherwise) are hereby expressly excluded and OFWM's liability is limited, at OFWM's option, to:

the cost of replacing the goods: OR

the cost of obtaining equivalent goods.

OFWM will not be liable to make any payment (whether by way of damages or otherwise) to the Customer for any indirect, consequential or economic loss or loss of profits or revenue, however arising.

ULLAGES & BREAKAGES

OFWM will accept faulty and/or out of condition goods (including label damage, dry breaks, leakers or short fills, etc) returned by the Customer provided:

- the goods are not out of shelf life;
- the goods are returned in their original packaging and the original invoice number is quoted;
- the goods were not broken or damaged after delivery and the seals on bottles are still intact; and
- the Customer notifies OFWM of its claim within 7 days of delivery of the goods in accordance with the "Claims Procedure" set out above.

OFWM will not accept return of goods for any reason other than those stated above. OFWM will not be liable in respect of faulty and/or out of condition goods if any act or omission of the Customer, including the manner in which the Customer stores the goods, causes or contributes to the goods being faulty and/or out of condition. OFWM's liability in respect of faulty and/or out of condition goods is limited to the invoice value of those goods, which, at OFWM's discretion, will either be replaced or credited to the Customer. Without prejudice to any other rights of OFWM, if the Customer does not quote the original invoice number, OFWM may, in its sole discretion, refuse the claim. If OFWM decides to accept the claim, even though no original invoice number is quoted, OFWM reserves the right to apply earlier pricing when crediting the Customer for the goods. Restaurant returns are only acceptable if goods are out of condition. No replacement or credit will be forthcoming on goods broken or damaged on the Customer's premises.

RETURN OF GOODS

In all cases, no goods will be returned to OFWM unless (1) they have been inspected by an OFWM sales representative; (2) OFWM's authorised representative has given written approval for their return; and (3) the "Claims Procedure" set out above is strictly adhered to. If OFWM's authorised representative has given written approval for the Customer to return the goods, then OFWM will pay for freight and cartage for their return.

PALLET EXCHANGE

Pallets that accompany goods purchased which are delivered by OFWM to the Customer do not become the property of the Customer. The Customer must, at the time of delivery, either replace the pallets delivered with pallets of an identical brand and condition or dehire if pallets are under hire. If the Customer fails to or is unable to do this, OFWM may at its discretion either:

- charge the Customer for the cost of the pallets at a rate equivalent to the replacement cost to OFWM of the said pallets, or
- charge the Customer a fee equivalent to the hiring charge until the pallets are exchanged and/or the pallet accounts are reconciled.

INDEMNITY

The Customer indemnifies OFWM, regardless of any negligence on the part of OFWM, against: (1) all losses incurred by OFWM; (2) all liabilities incurred by OFWM; and (3) all costs actually payable by OFWM to its own legal representatives (whether or not under a costs agreement) and other expenses incurred by OFWM in connection with a demand, action, arbitration or other proceeding (including mediation, compromise, out of court settlement or appeal), arising directly or indirectly as a result of or in connection with: (4) the entry by OFWM, its employees and agents onto any premises for the purposes of searching for, inspecting, taking possession of and removing goods supplied pursuant to the "Retention of Title" clause set out above; (5) the supply of goods by OFWM to the Customer; or (6) the supply of goods by the Customer to any third party, unless caused by willful misconduct on the part of OFWM or any of its employees or agents acting within the scope of their employment. The Customer is responsible for all such costs, whether or not OFWM has paid or satisfied them.

PRIVACY

Where goods are supplied to the Customer on credit the Customer irrevocably authorises OFWM, its employees and agents to make such enquiries as it considers necessary to investigate the credit-worthiness of the Customer including (without limitation) making enquiries from persons nominated as trade referees, the bankers of the Customer or any other credit providers (Information Sources) and the Customer authorises the Information Sources to disclose to OFWM all information concerning the Customer which is within their possession and which is requested by OFWM.

FORCE MAJURE

If a party is prevented from or delayed in complying with an obligation (other than to pay money) by an event beyond its reasonable control, performance by it of that obligation is suspended during the time, but only to the extent that, compliance is prevented or delayed.

ENTIRE UNDERSTANDING

The only terms and conditions that are binding on OFWM and the Customer are those set out in these terms and conditions and those, if any, which are imposed by law and cannot be excluded. These terms and conditions: (1) are the entire agreement and understanding between OFWM and the Customer on everything connected with the subject matter of these terms and conditions; and (2) supersede any prior agreement or understanding on anything connected with that subject matter. OFWM and the Customer have entered into these terms and conditions without relying on any representation by the other or any person purporting to represent the other.

WAIVER

A party's failure or delay to exercise a power or right does not operate as a waiver of that power or right. The exercise of a power or right does not preclude either its exercise in the future or the exercise of any other power or right. A waiver is not effective unless it is in writing. Waiver of a power or right is effective only in respect of the specific instance to which it relates and for the specific purpose for which it is given.

SET-OFF

OFWM may set-off any amount owed to it by the Customer (including, without limitation, any amount that OFWM is entitled to recover under the terms and conditions outlined above) against any amount owed by OFWM to the Customer.

GOVERNING LAW AND JURISDICTION

The law of New South Wales governs these terms and conditions. The parties submit to the non-exclusive jurisdiction of the courts of New South Wales and of the Commonwealth of Australia.
